Going to the Supermarket

Martha is at the supermarket, getting ready for a house party. She has a list of what she needs with her as she goes along. At the first section she comes, she sees apples, bananas, cherries, grapes, and strawberries. She takes some fruit and checks her list.

Next are vegetables. She sees potatoes, carrots, tomatoes, onions, mushrooms, and salads in bags. She checks her list again and says: that's okay".

As she is putting her items into her cart, Martha checks the many bags of salad and chooses 2 of them. She pushes her cart ahead. The next section is meat and dairy. She sees meat, fish, cheese, eggs, and milk. She checks her list. She still needs rice, bread, salt, sugar, and flour.
